Homeroom class: _____

PARENT'S SIGNATURE: _____

Students, in consultation with their parents, should fill in the blanks in preference order. We will attempt to accommodate students' choices, but cannot guarantee we will be able to honour all requests as course availability will depend on many factors such as student demand, teacher availability and facility limitations. Courses must have a minimum of 15 students to proceed, and some courses will have limited enrollment due to safety/equipment restrictions. It is important to complete this registration as soon as possible, as courses are filled on a first-come, first-served basis. Complementary courses will be taught in trimesters over the course of the year. All course descriptions have been emailed out to parents and are also located on our school website.

*Please note: Complementary Courses may include additional fees on a cost recovery basis for projects, materials or field trips.

Please complete this course request form with your child and return it to their homeroom teacher no later than **Tuesday, June 11**.
