- Special thanks to OLA PSC, Crystal Breault and Ricky's for the super delicious and successful Shrove Tuesday breakfast; great way to Support the Fort
- Continued thanks to PSC for - readathon, CEPAC attendance, Nadine Stang for monitoring the OLA parent FB page and to everyone for supporting OLA during covid
- **Assurance Plan** - on OLA website, developed from assurance data collected yearly (4 pillars: faith formation, quality teaching/learning, wellness, engagement/improvement). This is a working document. Results from survey to come in April 2021.
- **2020/2021 budget** is on OLA website - at present, 50% of the budget has been used, federal dollars were given to support online learning, OLA was also given funds to create a second grade 4 class this year. Likely that class sizes will increase next school year; increased enrollment = increased budget. PSC needed to help support the "extras".
