

PSC Meeting June 7, 2022

Attendance

Heather Spracklin
Amber Eastman
Terra Slaby
Michele Yuzdepski
Al Stewart

Meeting called to order by H. Spracklin at 1903

Prayer - Michelle

Land Acknowledgment - Al

School Leadership Report - Michelle

1. Parent presentation - The one on June 3 was recorded and parents have access to it. The next presentation is on June 17.
2. Sidewalk paint and volunteers - Thanks to everyone who came and volunteered. The students are enjoying it. We are waiting for the next set of stencils to come.
3. The Grade 4's visited JP11 and were very excited about next Fall.
4. We had class photos on Monday and Tuesday.
5. Year end field trips have happened and continue til the end of the year.
6. OLA playday is on June 13. We are looking for volunteers. What does the lunch look like?
7. Fun day - We had a parent donate some money for a fun day for the last week of school. We would like to have lunch or a snack on this day. Would the hot lunch committee be able to help with this?
8. Last assembly is June 23 at one o'clock. Everyone is welcome and we are going to bless the new OLA sign and award Christain Leadership Awards.

Classroom Updates:

Kindergarten: We have been going outside for our learning stations. We painted butterflies with watercolours.

Grade 1: Grade 1 students had a fun learning experience at the Edmonton Valley Zoo and Fort Heritage Precinct. Both field trips were a creative way to experience the Social and Science curriculums. The students had a fantastic time and we are grateful to the parents who volunteered.

Grade 2: Grade 2 students had a wonderful time on their field trip to Fort Heritage Precinct on June 2 & 3. Everyone is looking forward to Fun Day on Monday and thank you to the Parent Council for providing lunch and a treat for that day.

Grade 3: We had a in-school field trip for Science on life cycles. We are going to the Indigenous Peoples day events in Fort Saskatchewan on June 21.

Grade 4: We have had power options and have learned how to play handbells and have participated in Outdoor adventures.

Trips to see ST. JPII musical and millennium place this month with the Gr. 4 Farewell on June 15. Exploring plant growth in Science.

Had a presentation about their brain from AHS called brainwaves

Music: Grade 3 and 4 are playing recorders and have learned that the Mandalorian theme was written for the recorder. Grade 1 and 2 are continuing with their exploration of the Wild Symphony story book and symphony music for each animal, as well as exploring instrument families of the orchestra. Kindergarten is continuing to explore an Old MacDonald and farm animal theme. Having the chicks in the classroom was an extension of this theme.

Library Learning Commons: Return all books between June 14 - 17

School Activities:

1. Hatching chicks were brought into the school on Thursday, May 26. The students were able to see the eggs as they were hatching, and some witnessed a chick as it was hatching out of its shell. The chicks were then brought into class on Monday, May 30 for the students to hold.
2. The garden has been planted, thanks to 1P, 2K and 4K (4K will be planting this week). We are looking for families to water the garden for a week in the summer. You will get to take home any produce that grows over the summer and won't make it until the fall (lettuce, herbs, beans, chives, radishes). A sign up sheet has been created [here](#). Thank you for helping feed our students!

Upcoming Events:

OLA playday - June 13

Grade 4 Farewell and year end mass - June 15

Assembly and Blessing of the sign on June 23 at 1 - Everyone is welcome!

Break the Rules - June 22 & 23
