Agenda Item	Discussion	Actions
Teachers Report	<p>Pre-K - This month explored the world of nursery and life on the farm, Happy for the warm weather to enjoy outdoor classroom, hoping to venture to the River Valley next month. Enjoyed Easter and taking care of the resurrection garden. Making stews and brews out of spring ingredients. Celebrated Earth day and talked about how to take care of the Earth, drew Earth with directed drawing.</p> <p>Kindergarten - Learned about amphibians and reptiles in Earth System science. Shared Lent song in Friday assembly. Easter, used 12 Resurrection Eggs to learn and retell the story of Holy Week. Celebrated Earth Day on April 22nd outside taking care of the environment.</p> <p>Kindergarten L - Tremendous growth with reading and writing and love working in their journals. Loved the Puppet Treehouse in-class field trip. Baked Resurrection Rolls last week and reflected the story of Easter. Look forward celebrating Earth day</p> <p>1K - Looking forward to Easter and learning about Holy Week and The Stations of the Cross. Made great improvements in reading, almost finished with Heggerty lessons and made edits to sentences. Learning about Earth Day. In Math, starting to learn Measurements,</p>	

	<p>learning about height, weight and width.</p> <p>1/2O-Enjoyed having high school peer mentors. Next month creating a school wide art project with the Metis guess. Visit from our linking generation grandparent, patsy. Preparing for Easter by participating in the Stations of the Cross, creating resurrection gardens and completing activities in the Chapel.</p> <p>2K - Enjoyed an in-school field trip with the Breadlady and making Easter bread. Students learned about where our food comes from. Enjoyed kneading and braiding their dough and colouring their Easter eggs. Learning different ecosystems and building wooden houses for the next school field trip at the end of April.</p> <p>2/3T - Learning all about coins and counting money, possible future Banker in the room. Excited to see the Resurrection Garden displayed the rising of Jesus. In-class field trip about Earth's hidden secrets, digging fossils next Monday.</p> <p>3P - Building Bird Houses and working on Math problems.</p> <p>4C -Writing poetry and learning about fraction equivalences and decimal place value. Had a great day at Fort Heritage Precinct activities, trading games and crafts, with lunch at the nature park. Made models of the 4 Earth systems and a workshop about the systems interconnections. Enjoyed making their resurrection garden and being outside moving between stations of the cross.</p> <p>4B - Working on division strategies in Math, Continue</p>	
--	---	--

	<p>writing on refining their writing process by fractured fairy tale. Visited Heritage Precinct with 4C. Upcoming field trip, Millennium Place on May 13th, Living System on May 9th, Tipi Teaching at SAB on May 16th and visit to JP2 on April 22nd. Social studies learning about Alberta since settlement, Continue to learn Living System in Science. Looking forward to Hat day May 7th and Talent Show May 15th.</p> <p>Music - Did the Bunny Hop for Easter and learn about different notes</p> <p>Chaplain - School enjoyed making the resurrection Garden to depict the tomb of Jesus. Some gardens grow beautiful grass, others did not grow a single blade. Participate in the Stations of the Cross in the Outdoor Classroom. This week all will be participating in a chapel activity about Easter Joy!</p> <p>Library Learning Commons - Thank you to the school community for supporting our book fair this year. Sales are better than the past few years. We will be enjoying further learning with the Talebots in the Library Learning Commons in the next few weeks. I</p>	
Leadership Report	<p>Presented by Michele Yuzdepski</p> <ul style="list-style-type: none"> a) New OLA Education Assurance Plan for 2025-2026 - it will be posted on our website at the end of May. b) Playground removal- Letter included in the smore. c) 500 for the school council to spend d) Sports Day is on Wed May 28th.
