Dear Parents:

We wish to welcome the grade seven students who will be attending our school next year in grade eight, and we wish to welcome any new students to our school that will be attending grade eight next year. We continue to look forward to another great year *Together in Learning and Faith in 2015-16*.

For planning purposes, some information about program selection is needed from your son or daughter. Attached is the option request form that you and your child will need to review in order to select his or her complementary (optional) courses. This information will also be available on the school website. Students will be re-entering this information on-line at the school to complete the electronic registration process.

Please complete the last page of this package and return it to the school by Monday, March 16th. Note: Courses may be filled on a first come, first served basis. Students are requested to select the TOP CHOICES IN ORDER OF PREFERENCE - #1 CHOICE = #1 PRIORITY, and we ask that you fill in all of the blanks in your order of preference.

Most of the courses require a materials fee, which you will find listed beside the option. Student option fees will be communicated home to parents at the end of this school year. This year we will be providing parents the opportunity to pay fees on-line with Power School.

When choosing optional courses, please consider courses based on your child's interests and abilities. Past experience has proven that students excel in courses that they have an interest in.

Thank you in advance for your consideration of this matter. We look forward to working with you to provide your child with a learning environment, which is best suited to his / her needs.

Please have your child return the OPTION form to their homeroom teacher by Monday March 16, 2015.

If you have any further questions regarding this selection of options, please feel free to call at 998-3716.

Sincerely,

Mr. Rae Molzan
Assistant Principal
