SECTION A: GENERAL INFORMATION

WELCOME

You have selected an excellent school with strong traditions and an environment that reflects *“Together in Learning and Faith.”* This is the 50th Anniversary of our school. There will be a Mass Celebration on Saturday, September 28 at 2:00pm at the parish church. There will be a school “Open House” on the same day. If you’d like to contribute to the day, please contact the office at 780-998-3716.

Welcome to our school! *We are Many Parts – One Body in Christ!*

The challenge of providing quality middle school education to grades 5-8 students includes linking family, home, staff, and parish. Together, as parents and staff, we share the responsibility of helping children grow into responsible citizens by providing meaningful Christian education. As a staff, we ask your support and genuine interest in school activities.

Should your child experience difficulty with any aspect of school life, please contact their homeroom teacher. If the teacher is unable to solve the problem, you will be referred to the appropriate staff member. We will do everything possible to alleviate any problem and provide a safe and caring environment for our students. All concerns will be dealt with in a confidential and professional manner.

Students, we encourage you to do your personal best. As a staff, we are committed to assisting and guiding you academically, socially, spiritually, and emotionally as you grow into the person God has created you to be. We look forward to having you as a student and have spent many hours planning an exciting year for you. Get ready to enjoy your year and to make great memories.

LUNCH PERIOD

Students are allowed to leave the school grounds at lunch if the school has a **annual signed permission slip (grade 7 & 8)** or received a note from the parent for the respective day - **each day** (grade 5-8). Students are expected to be good citizens while off school grounds, respecting both neighbours and merchants in the community. **The school may revoke this privilege if misbehaviour occurs in the community.**

The following are encouraged and available lunchtime activities:

- intramural athletics in the gymnasium

Emergency Situations Caused By External Sources

Situations outside the school such as a tornado or toxic gas leaks may warrant placing students in the gym or other designated areas for their protection.

If an external emergency arises teachers will be advised over the PA system to move classes quietly into their designated areas away from any door opening or glass. All windows and doors are to be shut and tightly latched (not locked). **Students are to sit quietly and await further instructions.**

In the event that a lock down is required students and staff will be alerted about the steps to take relative to their safety and security. There will be respective class procedures based on location in school.

STUDENT BUSSING

All school rules apply to behaviour on the buses. Divisional buses may employ the use of video cameras as monitoring devices. More information on student transportation is available by calling the Director of Transportation at 780-449-6446 or the Transportation Department 780-449-6480.

STUDENT CONDUCT & BEHAVIOR

Our Lady of the Angels Catholic School is an educational institution and as such exists so young people can learn. We expect that students will behave in a responsible manner. The staff may need to get involved when students make inappropriate decisions or cannot manage their affairs adequately. Part of a child's learning has to do with learning to be responsible for one's actions.

Behavioural Plan Coordination

Review the Discipline Policy – sent home on the first day of school

Positive Conduct Program – *This area of the handbook is under review for 2013*

Throughout the school term, teachers and staff will reward students for positive behaviour or improved work habits. These students may receive recognition from school administration or a staff member may provide incentives and rewards on their own accord.

Other incentives for positive behaviour may include:

- Welcome Back Day in September - free lunch provided
- Good grades which may result in placement on the **honor roll** and/or recognition of a **merit award**
- The Plus Five Club which recognizes students for improved grades on their report card
- Special events such as movies, and recreational activities within the classroom and school
- Opportunity to participate in intramurals and on the athletic teams, drama club, or band
- Student Council positions
- Student activities, dances and events

Classroom Expectations

Teachers at Our lady of the Angels Catholic School believe that every student wishes to be a successful learner. In order to bring about success, each teacher develops an appropriate learning climate according to his or her subject area and teaching practices. *The teacher's expectations and regulations will be explained to students in the first few days of class. A copy of this will be sent home for parents.* Students are then expected to follow the rules set out in each of their classes. If you have not received a copy, or have any questions, please contact the teacher.

General School Expectations

It is expected that students will:

- follow all rules of conduct as outlined in this handbook, and those that may be developed over the school year,
- respect and follow the classroom expectations of their teachers
- **show respect for self, others and property**
- attend school regularly
- walk in a reasonably quiet, safe, and orderly manner in the halls
- be on time for school and class
- complete assignments
- walk their bikes and "boards" in the following areas: at the crosswalk; along the bus parking lane; in the bike rack area; on sidewalks and asphalt areas surrounding the school
- be held responsible to the school for their behaviour on the way to and from school

It is expected that students will **not**:

- disrupt the learning of other students,
- engage in theft, be in possession of dangerous objects, or engage in any illegal activities at school,
- use, be in possession of, or under the influence of alcohol, illegal drugs, or other controlled substances while on school property, or while involved in a school activity,
- smoke or use any form of tobacco in school, or while on the way to or from school,
- engage in fighting with, bullying, or harassment of other students.

Please refer to the School Discipline brochure attached to this handbook

General Respect Guidelines

There are three guidelines which will help students avoid potentially difficult situations:

- Respect yourself in actions and words
- Respect all others and treat them as you would like to be treated
- Respect the school and its property, and the community public property

Loss of Privileges

Students have the privilege of participating in many co-curricular and extra-curricular activities, field trips, and student council functions. These include school teams, ski trips, dances, theme activity days, etc. In order to participate students are expected to be in school and to classes on time, account for absences, complete assignments, display proper behaviour, and show respect for school staff, members of the public, and peers. **Students may have their privileges removed at any time.**

Students who have lost their privileges must see an administrator to discuss the issue and potential to earn back privileges.

School Pride

Please do your part:

- by not defacing or marking walls, desks, or furniture in any manner
- by placing all scrap paper and other garbage in the appropriate recycling container
- by keeping lockers neat
- by cleaning or removing dirty footwear when entering the school
- by keeping washrooms and hallways clean
- by reporting all damage to school property to the office

Property Damage

Any students, who damage school property or the personal property of others, by misconduct or by intention, will be required to pay for repair or replacement of such damaged property.

Private Property

As a school, we wish to be considerate of our neighbouring residents. Groups of students who congregate on neighbouring sidewalks and lands have created problems such as littering, trespassing on private property, and even minor property damage. This can be a source of aggravation for those who live nearby. These problems tend to occur at noon hour, or before and after school. As there is ample room for students on the school fields, we ask that students use school areas rather than congregate on, or around our neighbours' homes. This would show consideration and courtesy to those who live around the school. Students should also note that residents can lay charges for trespassing and littering.

SUBSTITUTE TEACHERS

A substitute teacher is a **guest** in our school. Every student is expected to give complete cooperation to the substitute as he/she continues with the important class work planned by the regular teacher.

SUPPLIES

Students will be provided with a list of basic supplies required at the beginning of the school term. Texts, pens, pencils, rulers, erasers, etc. are necessary class supplies and should be carried to all classes.

TELEPHONE

The student phone located in the office can be used at class breaks with permission from Mrs. Moser, or, during class time with a note from homeroom teacher.

TEXTBOOKS

The condition of textbooks issued to students is recorded when texts are distributed. Students shall be held responsible for any damage, vandalism or loss noted. Consequently, they should take great care to use and store their texts properly and to see that they are protected in their lockers. Textbooks are scanned and monitored by the librarian.

VISITORS

All visitors to the school must **report to the office and sign in** when they first arrive in the building. All visitors will be required to wear an identification badge. Students should be courteous to visitors.

SECTION C: ACADEMIC ACHIEVEMENT

CURRICULAR PROGRAMMING

The Junior High and Elementary Program calls for a minimum of 950 hours of instruction per year.

The compulsory core subjects are Mathematics, Science, Social Studies, Language Arts, Health and Physical Education and Religion. Various other subjects are also offered as complementary courses in junior high. Music/Band is offered at the elementary level. The number and selection of complementary courses available is determined by staff expertise, scheduling constraints, and student interest.

FIELD TRIPS

Visits and activities outside of the school often add considerable enhancement to the curriculum and are considered part of the curriculum program. Students are expected to attend. Students will be required to obtain written permission from parents, and they may be asked to pay any monies necessary to cover related expenses. There is annual fieldtrip permission form to be signed for all low level field trips.

When taking part in field trips, students are expected to make a special effort to behave appropriately. Students must remember they are representing their school. Scheduling of field trips sometimes means that other classes are missed. Students may be responsible for any work missed due to a field trip.

STUDENT EVALUATION

Grade 5-6 students are evaluated using the EICS assessment indicators of Excellent, Proficient, Basic, and Insufficient. Assessment may include but are not limited to observations, projects, and tests.

Grade 7-8 students are evaluated in a cumulative basis of their work (may include but not limited to: quizzes, student participation, daily assignments, observations, notebooks, and projects) and on examinations (final examinations carry a weight of 10% of the final grade).

Cheating Policy

Any student who is observed cheating during an exam will receive a mark of 0% for that exam. **There may be an opportunity to discuss with the teacher an alternative plan of action.** In the case of final exams, the mark of 0% will be averaged with the other term marks to calculate the final grade mark. **Copying homework is considered a form of cheating and will be dealt with in the same manner. Any student who assists another student to cheat shall receive a mark of zero also.**

SECTION D: SCHOOL PROGRAMS AND SERVICES

ATHLETICS

Our Lady of the Angels has a proud tradition of fielding strong teams for inter-school competition. Announcements for try-outs are made as each season approaches. Student athletes are expected to maintain a high standard of behaviour, complete their work and achieve grades in accordance with their academic abilities.

FINE ARTS

The School Band participates in the annual musical festival. Drama and art are offered as complementary subjects. There is an annual "Celebration of the Arts" in June each year held at the Dow Centennial Centre.

SCHOOL AWARDS PROGRAMS

The School Awards Program was instituted to encourage pride and school spirit on the part of each student. All students are eligible to obtain an award. Students are honoured in areas which encompass the spiritual, athletic, cultural, fine arts, and academic goals of our school. The annual awards day is in June.

STUDENT COUNCIL

Student Council participation gives students opportunities to develop leadership skills. Representatives and a staff advisor(s) meet to discuss and make decisions regarding many aspects of school life, including extra-curricular activities, community enhancement, and charity fund raising.

SECTION E: PARENT/SCHOOL COMMUNICATION

PROGRESS REPORTING

Report Cards are issued two times per year: January and June. Student/Parent/Teacher "Three-Way Conferences" are held twice a year. For Junior High student progress is reported in exact percentage grades rounded to the nearest whole number and can be found on Power School. You can obtain a password for 24/7 access for student progress. **We encourage parents to monitor student progress.**

Honours Standing is awarded to students in Grade 7 and 8 who achieve a mark of 80% or higher for core subjects with no mark lower than 70% in any other course. Honours standing must be achieved in the final reporting period in June for a student to be recognized on Awards Day.

The **Plus Five Award** is presented to students in Grade 7 and 8 after the final reporting period. This award recognizes those students who have increased their combined subject averages by 5% or more in Language Arts, Science, Math, and Social Studies.

PARENT SCHOOL COUNCIL

Our Lady of the Angels Catholic School Parent School Council (PSC) works with the school and School Board in providing input into policies and procedures as found in this handbook. They also assist in providing volunteers for many activities. If you are interested, please contact the school to obtain the telephone number of the Chairperson – Annalise Yuzda.

SCHOOL HAPPENINGS (ELECTRONIC NEWSLETTER)

A monthly “OLA School Happenings” is sent out to each family e-mail address during the last week of each month. The dates are also located on the school website under the calendar section. The affairs of the parent school council are also communicated to the school community through the web site.
