With Joyful Hearts ... Sharing the Good News! On Friday evening a special Mass Celebration with Fr. Ashok and Fr. Francis was held at the church with invitation to the 114 Grade 8 students and their families, friends and staff. The theme of the Farewell was, “It’s not where you go. It’s who you meet along the way.” We wish God’s Blessing on each of the students as they continue their journey of life, meeting many people along the way and sharing their God given gifts & talents

Thanks to all those that participated and attended the 4th Annual Celebration of the Fine Arts at the Shell Theatre at the DCC. The tremendous live performances and student demonstrated works displayed was simply AWESOME!
