For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. John 3:16

It was with a heavy heart that news was shared with us last week of the passing of a truly genuine human being, Father Michael Mireau, affectionately known to many as Father Catfish. During our administrator retreat last week, we shared in watching one his many homilies stored on-line for all to view. I urge you to take a moment with your children to watch the following clip as he puts faith into perspective for people of all ages <http://www.youtube.com/watch?v=4jSoo9fTC-c>

...as taken from his website:

As you know, Father Mike walked a long road to Our Father through his battle with cancer. A true Minister to our district family, Father Mike openly shared his difficult journey with us in order that we might grow in our knowledge of how faith can carry us through adversity and pain, and ultimately bring us comfort, solace, and great promise. He showed us Shalom in its truest sense.
